

# Become A Member of the FSU PANAMA CITY SEMINOLE CLUB

The mission of the Panama City Seminole Club, Inc. (Seminole Club) is to enhance the image of Florida State University in Bay County and North Florida. In order to accomplish this mission, the Seminole Club will sponsor events supporting FSU in the areas of athletics, academics and the arts. The Seminole Club will also participate in fundraising for Seminole Boosters, Inc.

The Seminole Club events include:

Athletics: Provide programs to its members that promote FSU sports

Academics: Provide scholarships to FSU athletics and to the FSU Panama City Campus.

Fundraising: Participate in raising money to support FSU. This includes locally developed events and in conjunction with events planned by Seminole Boosters, Inc.

Some of the many benefits club members enjoy are:

- Annual Tailgate Party
- Game-Watching Parties
- Advance Ticket Sales for Bobby Bowden Dinner & Golf Tournament
- Guest Speakers (e.g., FSU coaches, Rob Wilson, Gene Williams (of WarChant.com))
- Reduced Tickets to Club-sponsored events

The Club has endowed two athletic scholarships and also helped purchase new cheerleader uniforms, purchased a Legacy Walk brick and donated to the Unconquered sculpture.

In addition to an endowed scholarship at the FSU Panama City Campus, the club also provides summer semester scholarships. The Club is a member of the FSU Panama City Campus Presidents Club

Membership in the FSU National Boosters, Alumni Association or Foundation does not automatically include membership in the local club. Like many other booster clubs around the state, it is a separate organization.

*Remember – a club is only as good as its membership!*
