# Circle the Number

Circle the number that matches the amount of objects.

9 2 3

5 2 1

5 7 8

4 9 5

# Addition Color by Number

Solve the addition problems, then color the squirrel using the color that matches the answer.

**Fun Fact:** Squirrels are a common sighting on the Panama City campus, often running across the lawn and frolicking in the oak trees.

# Holley Academic Center

**Fun Fact:** FSU Panama City was established in 1982. Located in the heart of the Florida Panhandle, FSU Panama City offers the best of both worlds: the tradition and prestige of a Tier-1, research university at a smaller, intimate campus situated on the beautiful Gulf Coast.

# Bay View

**Fun Fact:** FSU Panama City's 26-acre campus features many shady oaks and beautiful view of North Bay. There are about 19 species of oak trees commonly found in Florida. They can live for more than 300 years, with some species reaching heights of more than 100 feet.

# Super Chief

**Fun Fact:** Super Chief is an art installation that welcomes visitors from the Barron Building entrance. The structure was created from unused construction materials in the 1980s.

FSU

PANAMA CITY

# Sam E. and Walle Nole

**Fun Fact:** FSU Panama City mascots, affectionately known as Sam E. and Wally Nole, create engaging learning experiences for K-12 students as part of the FSU Panama City's STEM Institute. FSU students program the humanoid NAO robots (autonomous, programmable humanoid robots) to respond to voice commands and perform various animated movements to live music.

# The Pier

# We ♥ FSU Panama City

**Fun Fact:** Florida State University Panama City offers life-changing educational and social opportunities that prepare students, faculty and community members to achieve their goals, develop a richer culture of diversity and foster a spirit of lifelong learning. The campus offers 17 undergraduate degree programs, eight graduate degree programs, and three certificate programs.
